# ABOUT US

**METROPOLITAN WATERWAYS**  
**CONCEPTS LIMITED TRAINING SCHOOL**

# Introduction

Metropolitan Waterways Concepts LTD was registered with Corporate Affairs Commission on seventh day of February 2014 to handle among other jobs water transport business and marine services.

The company had invested about One Million Dollars (\$1,000,000.00) on procurement of 4Nos brand new 30 Passengers Touring 36 Boats each with double 250 HP Yamaha engines manufactured by Gulf Craft U.A.E and other luxury boats from the U.S.A.

Metropolitan Waterways Concepts Ltd is also contributing to the training and certification of skippers (captains) with the establishment of a modern virtual training school for the skippers (captain).

**Our Goals**

To assist the Federal Government by providing alternative means of transportation to decongest traffic, and help ease transportation on the National Waterways in order to enable growth and sustenance business in Nigeria.

### **Our Motivation**

Niger Delta Areas having about 85% of its land mass covered and linked by water should have the advantage of water transport to link most of the commercial towns and cities.

### **Our Vision**

To provide a continuous improvement of the National Water Transportation experience that consistently exceeds customer expectation and reflects the innovation and pride of our employees.

### **Our Mission**

To provide safe, reliable and efficient water transportation services, which consistently exceed the expectations of our customers, employees and communities while creating enterprise value.

### **Our Values**

**Safety:** Ensure that the safety and security of our customers and staff is a primary concern in all aspects of doing business.

**Quality:** Be motivated by customer expectations in providing quality facilities and services.

**Integrity:** Be accountable for all our actions and ensure we demonstrate integrity in our business relations, utilizations of recourses, and treatment of our customers and staff, and in the general conduct of our business.

**Partnership:** Work openly and constructively with government, our various business and community stakeholders to exceed the expectations of our customers and advance each other's interests.

**Environment:** To ensure that environmental standards are maintained.

**Employees:** Always deal from a position of honesty, integrity and mutual respect and ensure that our employees develop to their full potential.

## **Our Commitment to Customers**

To provide a continuously improving National Water Transportation experience that consistently exceeds customer expectations and reflects the innovation and pride of our employees.
